

Lower Halstow School Premium Grant Expenditure 2017/18

Context of School

Lower Halstow School currently has 6 classes, but is moving to a 1 form entry school. The school has an Index of Multiple Deprivation of 218/426

The number of pupils entitled to Free School Meals (FSM) is lower than the national average. The number of SEN Support pupils is 18.7%, above the Kent and National figure .

11% of our pupils are GRT and 2.7% has English as an additional language,

Mobility is lower than the national average as some pupils join and leave other than the usual times.

Objectives of Pupil Premium Spending

Our main objective in using the Pupil Premium Grant was to narrow the difference between pupil groups. As a school we have an excellent track record of ensuring that pupils make good progress, and in the last 3 years have been successful in narrowing the difference in attainment outcomes between FSM and non- FSM pupils.

A significant amount of additional funding has been allocated to the school and we are determined to ensure that it has maximum impact. Careful analysis of internal and external pupil-level data, historical attainment and progress rates, and huge amount of qualitative data was undertaken to ensure that these funds are used to maximum effect. Our robust self-evaluation procedures and a number of case studies we have produced guided us in deciding where and how to spend our pupil premium allocation.

We have also used existing researches, including those from Ofsted, "Good Practice" series, Leadership Links and findings of studies undertaken by the Sutton Trust to enable us to make decisions relating to provisions.

We have invested heavily in ensuring that the success of our phonics programme is sustained by ensuring 100% of our staff (teachers and support staff) receive comprehensive training.

We have sought external organisations and identified opportunities for children to have enriched and enhanced experience of the curriculum. Investigative projects in mathematics, artistic and musical performances, sporting experiences are just a few of the curriculum enrichment areas we focused on this year.

Summary of Pupil Premium Expenditure

Number of pupils and pupil premium grant received	
Total number of pupils on roll	149
Total number of pupils eligible for PPG	25 (16.7%)
Total amount of PPG received	£34,480
