

Oak Class

Celebration Newsletter

Oak Class have had a fabulous first term and it has been wonderful to get to know all the children properly. I have been impressed with their mature behaviour and attitude to their learning. 😊

This term we have enjoyed rugby training with SRFC. So a big thank you to Dave and John for giving up their time to coach us each week!

Once a term we will have a D&T Day. Throughout the year we will learn a range of Design and Technology skills and create a big book as we go. First we research, then we design our own, then we make and finally evaluate. In term 1 our focus was William Morris - we created our own stamps and patterns. Please come and have a look at our Big Book to see our learning.

We have been working on how to stay safe online, including thinking about comments we make and how they make people feel.

Looking to Term 2!

Topics for Term 2 include learning about the **extreme weather conditions** including volcanoes and earthquakes, and looking at **Light in science**.

Highlights to look forward to in Term 2!

Christmas Crafts

Making a volcano

Kensuke's Kingdom

Homework will continue to be set on a Monday and returned on a Thursday.

After discussion with the children and many of the parents, we will be issuing written homework again. This will consist of a maths and grammar work. Mrs Weight and Miss Cross are available every morning to help, as well as Homework Club on a Thursday lunchtime.

Oak Class had a wonderful Class assembly, scripted completely by themselves. It was great to see so many of you there supporting. I was very proud of all them.
