

Oak Class

Term 2 Newsletter

We started our term off with a very moving tribute to the Fallen Soldiers of Newington by hosting a Remembrance service followed by tea and cakes with our guests. The class has received many letters of thanks from the community – all of them mentioning the children's wonderful hospitality, their respect for the service itself and how each of them are such a credit to the school. I was very proud of every one of them.

We have had great fun in Topic, learning about Volcanoes. We have studied how they are formed, where they are around the world and then . . . we made one!

We are very lucky in year 6, that we get to do exciting things all year round! This term has been full of those things – chocolate truffle making, trip to the ice-hockey, Sports Hall athletics competition and making Christingles to name a few. The children work so hard all the time, that these little treats are well deserved.

Our class is full of talented individuals. This term, some of the girls have taken it upon themselves to teach us how to dance. Miss Cross and myself also joined in and we had so much fun! I am hoping next term to hand over some PE lessons to some of our expert footballers.

Next term we will be studying World War 2. I know that the children will be enthused with this subject and will be very respectful in their learning. We will be reading one of my favourite novels – The Silver Sword.

In maths we will be continuing with fractions, decimals and percentages, which is actually a lot easier than you would think (just ask your children). Have a fabulous Christmas break and come back refreshed ready to learn.
