

Oak Class Celebration

Newsletter Spring 2

We had a great start to the term with a trip to Rochester Cathedral to see *The Moon*. We travelled there by train, and then because we were slightly early, we went to walk around Rochester Castle, and Mrs Tidy told us some facts about the towers.

Seeing *The Moon* in the Cathedral really was incredible-we were so lucky to go there.

On Shrove Tuesday, Newington held its annual Pancake race. The House Captains were very good at demonstrating to the school what they had to do, and the whole class was really supportive and encouraging to the younger children. Thank you to Mrs Holton for supplying the pancakes – they didn't look very tasty by the end of the event!

We had recently been spending time with our Buddies in reception – taking time once a week to read with them. Some of the buddies were very brave and came up to our classroom on their own.

For World Book Day, we made superhero masks and created a story or comic strip to include our characters. We had some very creative masks! We also had a book café, with tea, cakes and some fruit – plus many books for us to add to our café menu.

After Easter, school will be providing every child with a maths and writing exercise book. These are to do your work in. We will continue to use Class Dojo so that I can set daily work, upload files and pictures and chat to you and your parents. Please make sure both child and at least one parent has signed up to Class Dojo so that you can access this. If you are having difficulties please contact Mrs Wright in the office (via email and then I can help).

Thank you all for your hard work during this strange time. Home learning is going well, and I am loving the daily updates, photographs and chats with the class. Keep it up. Remember, term finished on Wednesday 1st April and we will return on Thursday 16th April.
