Freedom of Information

Guide to information available from The Federation of Lower Halstow School and Newington CEP School

Since 01 January 2005 there has been a legal right for any person to make a request to a school for access to information held by that school.

Schools are under a duty to provide advice and assistance to anyone requesting information and must respond to the enquiry promptly, and in any event, within 20 working days of receipt (not excluding school holidays).

The Governing Body should agreed the FOI publication scheme and access policy if it has not already done so. The policy will need to set out how the school proposes to deal with requests and state that all staff should be aware of the process. The Governing Body should agree a charging policy for complying with requests.

The DCSF recommends that schools respond to straightforward requests for free and charge where the costs are significant. The Governing Body should delegate to the Head Teacher the day-to-day responsibility for FOI policy and the provision of advice, guidance, publicity and interpretation of the school's policy.
