Term 2

Another term has flown by! Our theme of 'Celebrations' and 'Bears' has led us into having lots of fun and excitement learning about shape, stories and fact finding. We have found out about Fireworks night and Diwali and have well and truly embraced Christmas with our Christmas singing and decoration making!

Here are a few pictures to show you all what busy learners we have been.

Diwali Rangoli Patterns

Outdoor Learning

Model Making

This term we have

- ◆ Completed Phase 2 phonics. We have been really busy practising our blending and segmenting skills and I am really impressed with the progress made
- ◆ Learnt about how we can use our mathematical skills using shape and numbers within 10. We have found 1 more and 1 less and learnt about sorting and matching and times of the day.
- ◆ We visited the Bear Hunt workshop
- ◆ Had lots of fun in PE doing Write Dance and having an energetic session with a PE coach

Next Term.....

Our topic will take on the theme of 'The World' and 'Vehicles'. We will be continuing on with daily phonics and will be moving on to Phase 3 and learning a new set of sounds

Things to remember and look out for in Term 3

- PE days will continue to be on Tuesdays and Fridays. Please remember to remove earrings on these days.
- Term 3 Home Learning Activities will be sent home for you to do with your child and will be shared with the rest of the class on Fridays.
- Please continue to read with your child at home at least 4 times a week. We cannot stress how much impact reading for short bursts of time on a regular basis can have on improving your child's progress in reading.

And finally.....

Thank you so much for all the resources you have gathered and sent in for us to use to support us in developing our outdoor area and messy play. We are always in need of salt, flour, rice, dried pulses etc. so please keep them coming in!
