- Week 2: Brooke & Emily
- Week 3: Jayden
- Week 4: Jess
- Week 5: Katie
- Week 6: Louie

Rockstars Day

Den Day

MATHS

Our focus for the term has been on Number: Place value and addition and subtraction.

We can:

- Read, write, compare and order numbers up to 1,000,000
- Round numbers up to a million to the nearest 10, 100, 1000, 10 000 and 100 000
- Write Roman numerals up to 1000
- Count in powers of 10
- Interpret negative numbers and count backwards and forwards through zero

Science

We have been looking at Forces this term in Science and have learnt about gravity, water and air resistance and friction.

LITERACY

We started reading 'Who let the Gods out?', where we met Elliot. He wished upon a star, not expecting a constellation to crash into his dung heap.

Topic

Topic for Term 1 included learning about Ancient Greece in History. We learnt about the Greek's literature, theatre and architecture. We had loads of fun on Ancient Greek Day dressing up in togas and making Greek salads. We were also pretty good at our mini Olympics too.

Beech Class are looking forward to.....

Dates to remember...

5th Dec, 9.15 - Beech Class Assembly

RE

RE for term 2 includes continuing to learn about our big question, "What does it mean if God is loving and holy?"

Topic

Topic for term 2 includes learning about volcanoes & earthquakes in Geography.

Homework

Please ensure your child is reading 4 x per week.

You can login to the following interactive websites to enhance your child's learning:

Prodigy, TT Rockstars, Purple Mash
