

Maple Class

Celebration Newsletter

Maple Class outside the Guildhall Museum in Rochester.

What a busy term!
From the Food Tasting
through to our Rochester
Trip all the way to the
Top Trumps Parent Event
we have had a fantastic
term!

This term we have enjoyed
learning about the rivers,
mountains and cities of the UK.
We have also loved reading
'Oliver and the Seawigs' and it
has inspired us to create some
fabulous paintings, collages,
music and dances.

Ellie, Maddison and Groot
tasting Cheddar from
Somerset during our food
tasting session.

Esme with one of our
fantastic Seawig
designs!

Can you impress
everyone at home with
the typing skills you
have learnt this term?

Looking to Term 4!

Topics for Term 4 include learning about **Roman Britain** and how this invasion influenced the way we live. In science we will be finding out about **Light and Dark**.

Highlights to look forward to in Term 3!

Roman Workshop!

Class Assembly (26.3.20)

Building Roman roads!

Thank you to everyone who was able to come along to our Express Event. We hope you enjoyed celebrating our learning this term and have improved your knowledge of counties in the UK - I know I have!

Don't forget there are weekly maths activities on PING if you want to share in our maths learning each week. Remember to allow your children to bring in their work to show me so that I can reward them.

You can support your child by:

- Finding out about Roman Britain
- Sharing the Knowledge Organisers (see Maple website)
- Rapidly recalling addition and subtraction facts within 20 (6+8)
- Practising spellings

Please continue to read with your child and discuss their books at least 3 times a week.
