

Rowan class celebration newsletter Term

4

This term our topic has been London. We have loved comparing Lower Halstow to London and learning about famous London Landmarks. The children used lots of recycled materials to make replicas of their favourite London Landmark.

In Literacy this term we have been learning about our environment and how to make our world a better place.

We were fortunate to visit the local church and help plant snowdrops. We had beautiful weather and the children were perfectly behaved.

We have really enjoyed learning about measuring and weighing this term. We were able to make learning very practical and lots of fun.

We loved joining in with Sports Relief and raising money for charity

On World Book Day we all dressed up as our favourite book character.
We took part in a whole school quiz, Dover House won!

Things to practise at home

Have fun!!!
Play games, make models,
write a diary, design your own
board game

Please continue to practise reading the year 1 exception words.
Can you learn to spell the words and use them to write sentences?

Please continue to read with your child and discuss their books as often as you can.
