

Maple Class

Celebration Newsletter

Maple Class have settled really well back into the routine of being at school this term. They have come into the classroom with big smiles on their faces and enjoyed starting the day with some dancing at their desks! 😊

Dancing to "That's what makes you Beautiful".

This term we have loved creating our clay Stone Age cave paintings and pastel pictures of Stonehenge to share with parents and carers in our Virtual Stone Age Gallery and Museum.

S safe	M meet	A accepting	R reliable	T tell
Safe Be safe online by being careful about sharing your personal information when you are chatting or surfing online. Personal information includes your address, email address, phone number, passwords, date of birth etc.	Meet Meeting someone you have met online can be very dangerous. You should only meet someone you have permission from your parent or carer, and never take what if a trusted adult can go with him. Remember, people online are strangers, even if you have been talking to them for a long time.	Accepting People can use different or fossil remains to make their own Stone Age people. People can use different or fossil remains to make their own Stone Age people.	Reliable People can use different or fossil remains to make their own Stone Age people. People can use different or fossil remains to make their own Stone Age people.	Tell If you feel uncomfortable, scared or worried by something you see online you should tell a parent, teacher or other trusted adult. You should also tell if you or someone you know is being bullied online.

Can your child tell you how to stay safe on the internet?

Looking to Term 2!

Topics for Term 2 include continuing our learning about **Pre-history** with the **Bronze Age** and **Iron Age**.

In science we will be learning about **Forces**.

Highlights to look forward to in Term 2!

Making Bronze Age Houses *Making our own magnetic games*

Interactive learning

Please login to the following interactive resources to support your child's learning:

NUMBOTS

purple
mash

prodigy

You can support your child by:

- Sharing in their learning
- Reciting times tables
- Practising spellings
- Practising rapid recall of addition and subtraction facts within 20

Please read with your child and discuss their books at least 3 times a week.
